

Hip Hip Hooray!

Hong Kong True Light College's 39<sup>th</sup> Sports Day was held successfully on the 5<sup>th</sup> of February, 2016 at the Wan Chai Sports Ground. All the honorable guests, principal, teachers and fellow schoolmates really enjoyed the final day. It was a great day both in terms of spirits and the weather. Under the clear sunny skies and amidst the excited cheering students, our guests too left with new, fond memories of our school. We really do indeed have a lot to be thankful for in our lives!

The finals of all the games were really competitive which made everyone give their best shot to win. While the students were taking part in the events on the field, the cheering teams from the four house colors were cheering for them at the same time. We could see that each house really went to a lot of trouble to prepare the gorgeous props for the finals. The Blue house especially stood out with their handmade totems. In addition, the committees of each house made many outstanding decorations such as face painting, golden tattoo stickers and handmade accessories. Each committee member looked magnificent and outstanding! Their 'supercalifragilisticexpadocious' work was so impressive that we could feel the True Light spirit from them which is so typical the True Light style! The spirit filled up the sports ground which is the main reason why everyone enjoyed a lot on that day!

When our guests arrived, they could very much feel our spirit through the atmosphere as we were on fire! The school board members reminded us that we should balance our time between school work and mobile phones as most teens are nowadays addicted to using mobile phones all the time. They encouraged us to do more exercise and use less gadgets. They trust that if we never throw in the towel and give our very best all the time, we will definitely be successful one day.

The day ended with joy and the singing of our school song. The committee members of each house sang loudly and the music echoed everywhere which made the day complete!

Hip Hip, Hooray! Hip Hip Hooray! Hip Hip Hooray!
