

## **HKTLC - The “EPIC” 40th Student Union Inauguration Ceremony!**

The 40th Student Union Inauguration Ceremony was successfully held on 5th October at the auditorium of our school. We were honoured to invite the former Chairman of the Hong Kong Legislative Council, Mr. Tsang Yok-sing, GBM, GBS, JP, to be our officiating Guest of Honour of the ceremony. The ceremony began with a sincere opening speech by Shiana Po, the Chairlady of the 39<sup>th</sup> Student Union, followed by a candlelight-passing ceremony. This solemn moment signified the passing on of True Light spirits and marked the beginning of a new student leader group of our school. Elaine Cheung, the Chairlady of the newly elected cabinet of Student Union, *Twilight*, delivered her inaugural speech and pledged their commitment to serve all students with their hearts and utmost diligence.

The highlight of the ceremony was the uplifting speech delivered by our honourable guest, Mr. Tsang Yok-sing. Mr. Tsang shared with us his thoughts on teamwork and leadership. He pointed out it is paramount for a leader to respect others' talents, be humble and fair, and most importantly, be willing to bear responsibilities. He also reminded us to be an open-minded leader who endeavors to listen to others' opinions, so as to build mutual trust and respects with other team members. On a final note, Mr. Tsang encouraged all Student Union members to establish a set of positive values and continue to strive for excellence in their service to foster a greater sense of unity among all True Light girls.
