The 37th Student Union Inauguration Ceremony was held on 9th October at our school. This year's Student Union election was different from those in the past - all students in our school had an opportunity to vote for a cabinet that they like, instead of candidates of individual post. After a series of promotions, presentations and debates, a cabinet from the group 'Elisa' was elected.

Our honorable guest Ms Lai Po King, our principal Dr. Ng, all teachers and students were there to witness the inauguration of the new Student Union. We all gave our sincerest applause to Elisa and Cindy Chan, the new president of the Student Union then delivered her speech. She promised that she would lead the team to serve our schoolmates wholeheartedly with passion, and more whole-school activities and welfare would be introduced and organized.

Ms. Lai, our honorable guest as well as the alumna of Hong Kong True Light Middle School, shared her successful stories and working experiences with us. Among all her valuable advice, a line that stood out was "We can always learn something from different experiences. Joining the Student Union is an ideal opportunity to learn and equip ourselves for our future. "

The inauguration ceremony was just a start for our Student Union Elisa. They will begin their hard work and will hopefully continue to pass on the spirit of our school motto - "Thou Art the Light of the World".
